

Morning Rally Blast for Monday - May 26

Good morning Allies,

Welcome to the Rally Blast for today, **Monday, May 26th.**

While today isn't a rally day, below are the highlights of what's happening.

RV Service

Service is closed today in observance of Memorial Day. Please visit them at the Sheep/Swine building during their hours tomorrow, which will be 7am to 4pm.

Arrivals

Please slow down after the bend when coming in to Gate 7. This will help reduce the dust for our parking team. Please also stay single file for the safety of our team. If you know you will be arriving after 5pm, please text (757)575-5076. Someone will plan to meet you upon your arrival.

First Timers Orientation

New to rally? We will have a First Timers Orientation on Tuesday at 2:00pm in the Event Hall - ECCC. You do not need to bring anything. Previous emails mentioned bringing a paper from your welcome bag, however, due to a later pick-up time this year, no supplies are necessary. If you'd like to take notes, please bring a pen and paper.

Welcome Reception

Please plan to join us on Tuesday from 4pm to 7pm at the Vendor Hall - Building A for our Welcome Reception. There will be hot dogs, games, a band, and you'll have the chance to get your Welcome Bag, which will have your name badges, agenda, t-shirts, pump out medallions (if you previously purchased one or more), etc. Bring a drink and join the fun!

Pickle Ball Courts

The Pickle Ball courts in Building F (signs are out front) will be open for free play starting at 9am. Racquets and balls will be available but you are welcome to bring your own.

When entering you'll find a table with rules, tournament signups, and a liability release waiver that you'll need to sign to use the courts. NOTE: The floor is smooth and can be slick, so we will provide damp towels at the courts to wipe off your shoe soles, so you don't slip. PLEASE wear appropriate footwear...absolutely no flip flop or sandals allowed on the courts.

Golf Cart Rentals

If you rented a golf cart starting today, please plan to go to the Dairy Barn (down the street from where the service desk is located) between 9am and 10am to pick up your cart. If you

need to arrange another pick-up time, please text (847)373-6631 to let our team know when you arrive and where to find you.

The "Check-Out" date for your golf cart is the day your cart must be turned in by 10am to avoid any additional charges. Carts need to be returned to the Dairy Barn by 10am on the Check-Out date.

Feel free to email rally@alliancerv.com if you are not sure when your reservation starts and ends. If you rented your golf cart until Saturday, May 31, we are asking that you return it Friday night at dinner. We will give more directions in Friday's email blast. We will have parking team available to give rides back to your campsite.

Pump-Out Medallions

For those who've pre-ordered Pump-out Medallions, you will receive them at the Welcome Reception in your Welcome Bag. The first opportunity for pump out service will be Tuesday morning, May 27. If you want your unit pumped out on Tuesday, make sure your medallion is in front and clearly visible the night BEFORE. Online Pump-out Medallions sales are now closed. Should you need to buy a Medallion on Tuesday, please see April or Rob in the Event Hall - ECCC, and we can sell you one.

On Wednesday and Thursday, you may purchase Pump-out Medallions at the Alliance Merchandise Table in the Vendor Hall (Building A).

As a reminder, the last pump-out will be Friday morning.

Silent Auction Donation Drop-off

Silent auction donation items can be dropped off starting Monday, May 26, 10:00am-12:00pm and 3:00-5:00pm in the Workshops - Building E.

Golf Cart Golf Cart Fill-Ups

If you need your golf cart filled up with gas, your first opportunity for a fill-up will be Tuesday morning at 8:00am. Please bring your golf cart to the parking lot side of the Event Hall (ECCC) to follow a team member to the fill station.

Entering & Exiting the Fairgrounds

You may enter and exit any gate of the fairgrounds at any time, but please try to avoid using Gate 7 where check-in takes place. This will alleviate additional traffic in that area.

Sincerely,

Your Rally Team
